REQUESTS	<i>Requests are not guaranteed. Every coach has something different to offer the kids and all of our coaches have access to the same training and assistance. While one coach may stress technique, another coach may teach strategies of the game. This is why we believe all children need the chance to be with different coaches and players each year. Also, it is our belief that the kids will always make new friends on a new team and learn new skills and ideas from a new coach. Please make your requests here:</i>
