and we want to hear from you!

All citizens are invited to help plan the City of Woodland Park's future. Your input on various issues such as growth, transportation, land use, community character, public safety, recreation and economic development is extremely important. Please join us!

Workshop 1 - Community Values and Vision

- Discuss why the plan is being written now and what it will mean for the community.
- Determine key planning issues.
- Discuss Woodland Park's transportation options.

Workshop 2 - Community Futures

- Explore several land use scenarios with the community to understand the tradeoffs associated with policy decisions.
- Evaluate draft guiding principles and vision.

Workshop 1 - Community Values and Vision

Tuesday, May 5th from 7:00 - 9:00 p.m.

Ute Pass Cultural Center

210 E. Midland Avenue

Snacks will be provided

Workshop 2 - Community Futures

Date and Time To Be Determined

How can I be involved?

- Attend the workshops and encourage others in the community to attend.
- Visit www.wpcompplan.org to learn more about the Comprehensive Plan, to keep apprised of the planning process, and to view the schedule.
- Share a story, photo or video at www.wpcompplan.org or drop it off at City Hall.
- Spread the word and encourage friends, family, employees, etc. to take part in this exciting process.

Please Take Our Online Community Survey after May 7th at www.wpcompplan.org
