

ABOUT THE UPCC & MIDLAND PAVILION

Enjoy the mountain atmosphere and rustic elegance when you book your next event at the Ute Pass Cultural Center. This historic venue, in the shadow of Pikes Peak, was converted from a 1936 schoolhouse into the premier event venue in Woodland Park, Colorado.

The Midland Pavilion, adjacent to the UPCC, is a beautiful green space with a wooden pavilion and stunning views of Pikes Peak that make for a magical experience.

Whether you are looking for an indoor or outdoor event location, the UPCC has the perfect option for you!
