By _____ Date _____

Title _____

Staff Analysis/Notes

Temporary Banner/Attention Getting Device Tracker

The Sign Code allows banners to be displayed up to 120 days per calendar year in 30-day increments and allows attention getting devices (i.e. pennants, streamers, balloons and inflatable balloon characters or symbols) to be displayed for up to 30 days per calendar year in no more than 10-consecutive day increments.

Please use the following table to help track the number of days the permitted banner/attention getting device is displayed to ensure that it complies with this requirement.

Banner Location: _____
